Neighbours Survey
CATI Fieldwork : May 15th-17th 2009

Absolutes/col percents

Table 1
Q.1 I would like to ask a question about neighbours by which I mean other people who live in your immediate neighbourhood. Many people we have spoken to have said they don't know any of their immediate neighbours. What about you, do you know any of your immediate neighbours in the sense of something more than exchanging good morning or good afternoon for example?
