THE DOCTOR Who isn't?

ANGELO The language is lost to us - but thanks to the work of an early Christian sect, the title has survi ved.

Angelo leans forward, pushes a sheet of paper towards the Dočtor.

The Doctor, of course, is oblivious to it.

> **BILL** Well, I'm a grown-up. I can do that, can't I?

MOLRA Of course not. I have very strict rules about men.

BILL

Probably not as strict as mine.

The toilet has flushed, and now Penny appears from the bathroom.

> PENNY Oh, hello. Are you Moira? MOI RA

Oh, you're a

PENNY

I'm Penny.

MOI RA Oh, I see, sorry. There was me thinking she'd dragged some poor terrified man home!

BILL Well, phew, eh?

PENNY (Joining in) Yeah. Phew!

MOI RA

(Heading to the door) Okay, you two, I'm off to the fleshpots. Don't do anything I wouldn't do.

On Bill - such a mischievous grin.

BILL Well, there's a slight chance we might.

28 <u>EXT. EXECUTION PLATFORM - DAY X</u>

From the POV of RAFANDO.

The Doctor and Nardole (dressed as a priest) in quiet conversation. Only a few minutes have passed.

Rafando clears.

RAFANDO I regret, gentlemen, this consultation is over.

MISSY I regret it too.

RAFANDO The sentence must now be carried out.

MI SSY

Take a few more minutes if you like. Knock yourself out. Actually, do that.

Grim as death, the Doctor walks back to the centre of the platform

THE DOCTOR Trouble is, when simulants develop enough independent intelligence to realise what they are, there's a risk they'll rebel. Start disrupting the game by removing themselves. Those deaths weren't suicide - those people were . They were wiping data from the enemy hard drive. It's like Super Mario figuring out what's going on, and deleting himself from the game, because he's sick of dying -

BI LL

But the numbers - I said them too.

THE DO
